Bathurst Region Heritage Plan

Council's Strategic Planning Section is preparing the next update to the Bathurst Region Heritage Plan. The Plan guides heritage management within the Bathurst Region and establishes the key strategic priorities and actions for heritage management over a period of 4 years.

Heritage management includes the protection and promotion of heritage across Council's departments. Importantly, for Council to operate its Heritage Advisory services and for that service to be supported by a grant provided by Heritage NSW, Council must have an adopted Heritage Plan in place.

The current plan covers the 2021-2025 period and is due to be updated in 2025.

Council is seeking to survey a wide range of community members aiming to:

- Gauge the community's understanding of Council's heritage management practices,
- Gauge the community's current values as they relate to heritage matters,
- Understand the community's opinion on heritage related challenges,
- Discover how achievements of the Heritage Plan can be better shared with interested parties.

If you would like to complete the survey, please navigate to the following link:

<https://yoursay.bathurst.nsw.gov.au/bathurst-region-heritage-plan-2021-2025/surveys/heritage-plan-update311>

The survey will close on 4 November 2024.
