

Our safety plan.

Bathurst Regional Council.

2023 to 2028.

We thank the Aboriginal people in Bathurst.

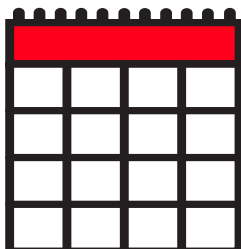

We have a new safety plan.

Its long name is the

Bathurst Community Safety Plan 2023 - 2028.

The plan helps to make our community a safe place to live.

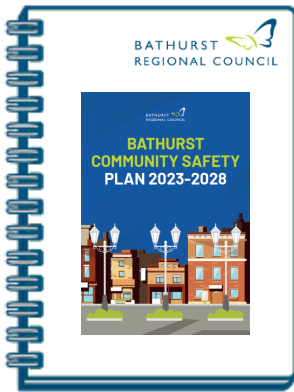

Our new plan is for 5 years.

It starts in 2023.

It ends in 2028.

Council talked to lots of people.

They all helped to make the new safety plan.

Our last safety plan was 2019 – 2023.

These are some of the things we did.

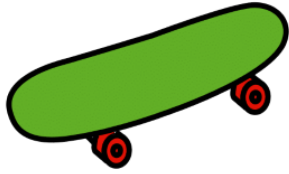

Red benches. They are a reminder of domestic violence.

We told people what to do to stop;

- being scammed
- having your car stolen
- having your house broken in to

We told people how to be safe on a scooter and skateboard.

We told people how to be safe on a mobility scooter.

**We talked to lots of people
to make the plan.**

Council asked questions. It was about how
safe you feel in the community.

Council staff had meetings. They talked
about

- the plan
- ideas for change.

This helped us make the plan.

Our safety plan

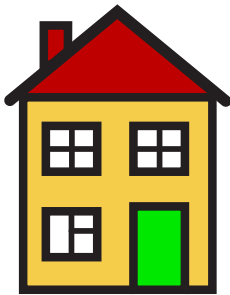

We looked at other Council plans.

Our safety plan must have the same goals.

3

We have 3 big goals.

1. We have safe homes.

2. We have safe relationships.

3. We have a safe city.

1.We have safe homes

Council will

- Help stop stealing from cars
- Help stop stealing from houses
- Help stop people damaging things that do not belong to them

2. We have safe relationships

Council will

- Help stop domestic violence
- Tell people about safe relationships
- Help stop sexual assault
- Help stop people intimidating other people

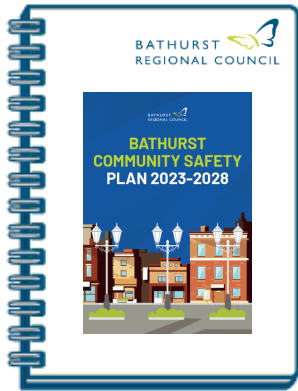

3. Safe city

Council will

- Help make the city safe
- Help stop violence
- Help stop damage to the city
- Help stop people stealing from shops
- Help stop scams
- Help stop drugs

Council will check the plan

Council will check the goals each year.

We will write a report each year.

The reports will be on the Council website.

We will make a new plan in 2028.
