#### Commentary on monthly movement

#### **Total Cash, Cash equivalents and Investments:**

Total Cash, Cash Equivalents and Investments have increased over January 2025 at the end of February 2025 mainly due to rates being due on that day.

Rates receipts consist of General, Water, Sewer, Waste Management rates and Stormwater Levy, therefore of the \$13.8 million rates received, \$8.5 million was for restricted funds. Leaving only \$5.3 million for General Fund.

#### **External Restrictions:**

**Unexpended Loans** - no movement for February 2025.

**Developer Contributions** adjusted for funds used on projects YTD.

**Water Fund** - rates collected of \$3.8 million and reflects funds used for operations & capital.

**Sewer Fund** - rates collected of \$3.2 million and reflects funds used for operations & capital (note loan repayments from Land Development are up to date).

**Domestic Waste Management** - rates collected of \$1.1 million and reflects funds used for operations & capital.

#### **Unrestricted Cash Position:**

As a result, after expenses, total cash increased by \$3.3 million however Restricted Cash increased by \$10.6 million, meaning unrestricted cash reduced by \$7.3 million. This result is predominantly due to the low number of land sales from the Windradynne subdivision that have settled so far this year. To date Council has sold 7 lots. A further 20 lots are under negotiation, and if they proceed to settlement will return approx. \$6 million, although some of these lots are likely to have a settlement date after 30 June 2025. In addition, Council has accepted an offer for the purchase of two lots from the Hampden Park Estate for approx. \$2.5 million which are anticipated to settle soon after registration of plan is obtained.

A further detailed report will be presented to Council, identifying additional strategies that will need to be implemented by Council, to ensure that Council returns the unrestricted cash position back to a positive result. Councillors will recall from previous reports that Council has already implement initiatives such as reductions in events, delayed recruitment of non-critical roles, sale/lease of assets and cost-recovery of merchant fees. Council remains in contact with the Office of Local Government on Council's financial position.
